It Does all the Work Perfectly

The Mola Washer will wash your clothes beautifully clean in just a few minutes, and without wear and tear to your clothes whatsoever. The cylinder in a Mola revolves four times and then reverses, thereby causing more agitation, and which is the secret of clean washing.

The wringer swings and locks in any position, making it very convenient in small rooms.

These are only a few of the many features found in the Mola. Let us show you the rest.
